

Announcement

[Application for Disaster-Related Basic Income by Proxy]

① Scope of application by proxy

1. Minor's (born after January 20, 2002) legal representative or lineal ascendant
2. If an applicant cannot submit an application due to unavoidable circumstances (e.g. elderly people, people with reduced mobility, persons staying in special types of facilities, etc.) his/her spouse, his/her lineal ascendant or descendant, his/her lineal ascendant or descendant's spouse, his/her spouse's lineal ascendant or descendant, his/her sibling*, a social welfare facility employee, etc. may apply for disaster-related basic income by proxy by submitting a document proving his/her relationship with the applicant.

※ (Example) If the representative is a social welfare facility employee, a copy of the applicant and mandator's IDs, a written confirmation of admission and a certificate of employment of the proxy must be submitted.

* Scope of sibling's application by proxy: Siblings of those who does not having any lineal ascendant or descendant, those who are in a sanitarium, a mental hospital, or an institution, or those living abroad

② Documents required for application by proxy

① Proxy's ID card

- ② Application (including a consent to provision of personal information and a letter of delegation; oral delegation is acceptable)

③ **A copy or the original copy of the applicant's ID card***

*As foreigners rarely have household in Korea and many of them are staying abroad, the applicant's ID card is required to clarify his/her will of delegation.

④ Document proving family relations

- Marriage certificate or certificate of family relations
- Certificate of alien registration
- National Health Insurance Certificate or health insurance card (issued in the last six months)
- Document proving family relations issued by the applicant's country
 - ※ Document confirmed by the country's foreign ministry (or Apostille*), Notarized Korean translation to be attached
